

## Nursing eHealth Champions Network Stage 1 Workshops 2010

**Are you interested in nursing informatics, eHealth, and their relationship to quality care?**

Over the next 2 months the Nursing and eHealth project team will be holding a total of 8 **Stage 1** nursing eHealth Champions workshops across Ontario. The objective of the Nursing eHealth Champions Network and the workshops is to support understanding, acceptance and adoption of informatics in Point-of-Care activities for nurses and other members of the health team in a variety of healthcare organization and to develop support strategies for colleagues in the workplace.

If you are interested in becoming an eChampion or would like to attend this one day workshop please contact Jackie Boyce at [jboyce@rnao.org](mailto:jboyce@rnao.org) or 416-599-1925 ext 252

### OUTLINE OF THE DAY:

A one day initiation workshop that will assist in increasing awareness and knowledge about nursing and eHealth and the relationship between eHealth and clinical practice.

The workshop will consist of:

- Presentations from experts in the field of eHealth;
- Activities that will clarify eHealth concepts;
- Strategies that will assist in supporting eHealth in your organization; and
- Resources of current eHealth programs.
